141	Bhadale group of companies data center products catalogue	Apr-20	This is our first draft version of the product offering in areas of nano computing, DNA computing, Nano wireless network and nano communication. We offer industry standard base images of the solutions for emerging computing platforms and edge, fog computing	Products	Complete
142	Bhadale group of companies data center products catalogue		Smart nano computing system: Details for Level 2 to be generated and integrated with general /other frameworks	Products	New
143	Bhadale group of companies data center products catalogue		Wireless nanosensors network (WNSN): Details for Level 2 to be generated and integrated with general /other frameworks	Products	New
144	Bhadale group of companies data center products catalogue		Edge cloud/fog computing for big data workloads: Details for Level 2 to be generated and integrated with general /other frameworks	Products	New
318	Bhadale group of companies electronics computer engineering catalogue		Data-center engineering services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
320	Bhadale group of companies electronics computer engineering catalogue		Mini / micro Data centers services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
483	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering product design- Data center – client-server, & tenant focused: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
503	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design- Data center: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
507	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Data center – client-server, & tenant focused: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
522	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design- Data center services: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
663	Bhadale group of companies- services catalogue for banking and financial sector		Data center services – Engineering: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
664	Bhadale group of companies- services catalogue for banking and financial sector		Data Center services – IT services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
666	Bhadale group of companies- services catalogue for banking and financial sector		Customized datacenter integration packages: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
709	Bhadale group of companies azure cloud service catalogue		Azure Data center services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
720	Bhadale group of companies azure data center services catalogue- detailed	Apr-18	Our service offerings related to Azure data-center - IT + Engg services, includes technical and business support offerings	Services	Complete
721	Bhadale group of companies azure data center services catalogue- detailed		Data center Engineering services for Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
722	Bhadale group of companies azure data center services catalogue- detailed		Data Center IT Services - Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
723	Bhadale group of companies azure data center services catalogue- detailed		Data center Security services- Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
724	Bhadale group of companies azure data center services catalogue- detailed		Data Center QA services- Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
725	Bhadale group of companies azure data center services catalogue- detailed		Datacenter Cloud services- Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
726	Bhadale group of companies azure data center services catalogue- detailed		Datacenter compliances services-Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
727	Bhadale group of companies azure data center services catalogue- detailed		Data center based business solutions-Azure: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
728	Bhadale group of companies azure engineering services catalogue- detailed	Apr-18	Our service offering for Azure data center engineering, Azure stack, Azure QA and industrial safety	Services	Complete
729	Bhadale group of companies azure engineering services catalogue- detailed		Engineering services for Azure Data centers/ Azure stack/ private cloud	Services	New
760	Bhadale group of companies azure cloud services catalogue- detailed		Data center Virtualization and Cloud services (IaaS): Details for Level 2 to be generated and integrated with general /other frameworks	Services	New

772	Service details for cloud specific projects	Mar 2018 – Apr 2018	I drafted and presented the service offerings offered by us for Azure cloud based services for the programs we offer like AI, Digital platform, Automation, Engineering services and Data center services. This demonstrated that we have matured offerings for the cloud and can offer a decent service for our clients who seek to migrate to cloud platform	Services	Complete
774	AWS ML Use case: Call Center	Dec-17	Use of machine learning in BPO call center by way of using Virtual assistants and learning from the interactions using NLP feeds mainly chats and offering better services in an Automation scenario. Intelligent routing of calls to concerned team and not help desk. Used problem framing, data handling, modeling and application methodology to design the routing ML algorithm, test in prod and find the false positives that affect accuracy.	Products	Complete
785	Bhadale group of companies datacenter services catalogue	Jun-17	Bhadale group of companies datacenter services catalogue	Services	Complete
